1. Vance Havner: "Most church members live so far below the standard, you'd have to backslide to be in fellowship." (46)
2. In having everything they wanted, the church at Laodicea missed what they needed most--- a burning passion for God. (47)
3. The only way to escape apathy is to replace it with a fiery passion for holiness. (48)
4. Sin numbs us to righteousness. If God isn't the master of your life, sin will be. (49)
5. G. Campbell Morgan called lukewarmness the worst form of blasphemy. (49)
6. Being in God's will requires an understanding of moral absolutes and knowing and obeying His Word. (52, 58-59)
7. Maintaining an intimate relationship with God is essential to staying "on fire" for God. (54)
8. Following the Lord's law allows us access to His promises and remain passionate about God. (56, 58)
9. The word enthusiasm literally means "in God"(60)

UPGRADE CHAPTER 4: GRIEVING THE HOLY SPIRIT

1. The primary reason Christians fail to walk in Christ's victory is that they have grieved the Holy Spirit. (67)
2. If you are currently struggling to live in the joy of the Lord, it is probably because you have done something to grieve the Holy Spirit. (68)

3. Grieving the Spirit, kills God's work in your life. (68)
4. King Saul is a perfect example of the effects of grieving the Spirit of God. (70-71)
5. Saul was a rebellious compromiser. He tried to appear holy while striving for worldly commendation. (70)
6. Ignoring God's Word and living on our own terms always leads to trouble and grieves the Holy Spirit. (71)
7. If you continue living in compromise and disobedience there will be a day when God leaves you to the consequences of your decisions and actions. (75)
8. The simple way to keep from grieving the Spirit is to continually seek more of Him in your life. (76)

UPGRADE CHAPTER 5: STOP WANDERING!

1. Being a victorious Christian doesn't mean you will never sin—it just means you're learning to depend on Christ. (80)
2. God didn't call Joshua to be another Moses. God called him to be himself and fully follow God. (81)

4. Spiritual warfare is a major factor in our life of victory. (SEE 84)
5. If you are serious about God working in your life, you must identify the enemies that will try to stagger your faith. (86)
6. Just because you are walking by faith does not mean God will make everything easy for you. (86)
7. Faith demands action. It's the only way to move from promises to possession. (87)
8. The power God offers you is backed up by His promises. (SEE 89-90)
9. God isn't calling you to individual victory; He's calling you to the Victor—to the One who is your victory. (91)
